Santanna Moss,

I have been a loyal Redskin fan my whole life. You are a great inspiration to me. I would like to be a wide receiver for my high school football team. You are a wide receiver too and what you do on the field, I try to use the methods to help me improve my skill. I'm only in 8th grade and my coach is giving me this opportunity and when I try to immitate what you do on the field my chances are better to be on the team!

Your fan,
J.T. masss

Dear Mr. McNabb,

I hope this letter finds you in good spirits. My dad and I are so grateful that you are a redskin now. I will admit it was weird at first, since you were an Eagle for eight years. I do think you will help take this team to victory this year. It's great to have a great quarterback on this team who has such an amazing career. So have another great season on your new team. I hope to see you around in Washington for a while! My family and I love you and wish you the best.

love,

Hannah Rogers

Dear Robert Henson,

I am so glad to see you on the field today! You are definitely my favorite player because of how nice you were last training camp, you took the time to sign my hat and even got Clinton Portis to sign it, too! It was so special when you responded to my fan-mail with an E-mail to me!

I love you new # this year (51) instead of #58. Maybe this year you can sign my hat again with your new #51! You are an awesome special teams player! I am also convinced you are the best second-year player on the team I can't wait for the first game against the Cowboys with you playing as a defensive linebacker!

Dear Chris Cooley

My first football memory is of the crowd yelling "COOOOOOLEY" I was sooooo excited to meet you at your race for the cure event. You signed my jersey "Dallas Sucks" which was awesome. I have that jersey hanging on my wall. I hope we will have a lot of victories this season.

Dear, Phillip Daniels

I'm that kid that you met in the VIP area,
I didn't post on your fan page who I am
and I wanted to just tell you now. You made
me want to play defensive end like
you do. Now after that day I follow you
and I'm saving up money for your
jersey. You're the coolest guy thank you

TO: London Fletcher

Dear London, I think you are the best middle
linebacker in the game. But what I like about
you the most is your faith in God, commitment
to the community and your durability as a
player. I think you deserve to go to the
pro bowl again. You are a great captain for
the defense. Thanks
